Instruction Memorandum No. **CA-2003-040**
Expires: 09/30/04

To: CDD District Manager, All Field Office Managers
Attn: All Fire Management Officers

From: State Director

Subject: Risk Assessment & Mitigation Strategies (RAMS) **DD: 06/06/03**

In the months of March and April of this year the State Office sponsored two RAMS Workshops. Field Office objectives of this workshop were to:

1. Update the mitigation/education portion of their plan
2. Update the fuels portion of their plan; and
3. Incorporate community assistance into the plan.

To ensure that the fuels, mitigation/education and community assistance workloads are justified through approved land use plans, I am asking each field office manager to review the subject plan.

Upon review, please submit a signed copy to Jim Francis, CA-943 by **June 6, 2003** and ensure that staff has provided a disk with their MDB data to the contractor.
